

# Participate in the *National Norming of Rating Scales*

Hawthorne Educational Services, Inc., is offering you the opportunity to participate in a national data collection project and earn money to spend at your discretion. *Non-identifying* data is currently being gathered to nationally norm rating scales.

Hawthorne will pay \$3.00 for each form which is properly completed for each student chosen and returned to our office by a specified date.

The data collected will be combined with the data from other raters to establish national norms. All information will remain completely confidential and reported by group (e.g., grade, age, gender, etc.) only.

This is a limited participation project. Requests for rating forms will be filled on a first-come, first-served basis until the quota is reached. If you are interested in participating, please complete the information below and return via Email (adina\_laird@hes-inc.com) or FAX (800-442-9509). Thank you for your consideration.

***A minimum of 20 forms must be completed.***
